

S-VYASA- ODL/DDE

DIPLOMA IN YOGA THERAPY (DYT)

Pre-requisite: 12th Std./II PUC/Plus two/12 years of education or equivalent

Normal Duration: 1 year

Phase 1- semester one- 1 week PCP (personal contact programmed).

Phase 2- semester two- Arogyadhama training – 28days at Prashant kuteeram, Bangalore 560105.*mandatory.

EVALUATION / EXAMINATION PCP 1 week PCP (personal contact programmed)

PAHSE 3- externship (30 days).

Total Credits: 42

Admission Intake: January and July, every Year.

Type of PCP	Induction Program	Evaluation Program
First Intake (1st January Every Year)	First Week of January (1 st -7 th January)	Second Week of subsequent January (8 th -15 th January)
Second Intake (1st July Every Year)	First Week of July (1 st -7 th July)	Second Week of subsequent July (8 th - 15 th July)

Duration: The Minimum duration of the course is 12months and the maximum is 2years.

Eligibility: A 12th Std. /II PUC/Plus two/12 year of education or equivalent.

YIC from SVYASA University is **mandatory***.

Documents to be uploaded along with Application:

1. Higher secondary (S.S.C),
2. Senior Secondary (PU),
3. Marks sheet and certificate of Graduation,
4. Medical fitness certificate,
5. Y.I.C certificate,
6. Photographs /passport size (jpg, jpeg 500kb)

7. Aadhar card
8. Passport and Visa (Non-Indians)
9. The name on your application form should be as you would want it printed on your degree certificate. If this is different (due to, say, a name change after marriage) from your name on your earlier certificates and documents that you are submitting to us, then you need to submit an affidavit for the same.
10. Note to foreign students - if your certificates are in a language other than English, please send a translation of the same in English.

Application Last date:

January intake: Applications should be filled out and payment should be made by December 20

July intake: Applications should be filled out and payment should be made by June 20

What happens next?

Your application will be either rejected or conditionally accepted or accepted.

If you do not meet the eligibility criteria, a rejection email will be sent to you within a week of us receiving the application.

If you meet the eligibility criteria, but if your documentation is not complete, depending upon what document is missing; your application will be either rejected or conditionally accepted. In the latter case you will be requested to supply the missing documents within a week. Your registration can be confirmed only after those documents are submitted. If you fail to produce the documentation, application will be rejected.

Once you have completed the application process, within a week you will receive an auto generated email after the verification process is completed. And you will be allowed to go through the subsequent steps of registration i.e. Payment of fees.

Course fee should be paid only after receiving confirmation email from us.

DYT Programmed Frame Work

1st PCP: 7 days

1st to 7th Jan/July every year we conduct contact programmed for a week. During which course materials, Assignments and Unit Tests will be given. There will be theory+ practical sessions and Arogyadhama orientation.

Phase- 1:

Assignment 1 and Unit Test 1: to be submitted within the first three months,
Assignment 2 and Unit Test 2: to be submitted within the next three months.
After successful submission of the Assignments and Unit Tests, you will be allowed to take Arogyadhama Internship Training.

Phase – 2:

Arogyadhama Internship Training Duration: 28 days

A total of 40 case reports have to be submitted for successful completion of the training.

2nd PCP: Second week of Jan/ July is the Examination contact Program for one week.

Phase- 3:

Externship

After the completion of your exam, you are required to provide free voluntary service at a hospital/ clinic for one month. A service certificate, issued by the clinic may be submitted to prove the same.

Following the Externship, you will be awarded the DYT certificate.

For any query feel free to write.

OBJECTIVE

- * To train persons as Yoga Therapy Instructors in hospitals, nursing homes to introduce IAYT under the guidance of doctors.
- * To equip the participants to work as therapy assistants at Naturopathy hospitals, health clubs etc.

ODL_DYT_T103 INTRODUCTION TO SANSKRITAM AND YOGA TEXTS

The goal of teaching *Sanskritam* to foreign Graduate students is to provide a comprehensive knowledge of *Sanskritam* in order to be able to study, understand, comprehend, write and utilize the knowledge contained in Indian traditional texts in their professional practice, especially in the field of *Yoga*.

Objectives:

Following the completion of this course, students shall be able to

- Communicate and comprehend Sanskrit to the best of their ability.
- Write in Sanskrit and have some idea about grammar.

Unit 1 Introduction to Sanskritam

15 hours

- i. Introduction to Sanskrit Language and subject
- ii. *Devanāgarī* script – origin, Place and pronunciation of Sanskrit Alphabet, (*Sthana - prayatna viveka*), vowels, consonants, vowels & consonants combinations.
- iii. Two consonant combinations, special conjunct consonants and their pronunciation associated with their articulation. Formation of writing.
- iv. Basic rules for recognition of Nouns and Collection of *Sanskrita* words in genders.
- v. Introduction to Genders – Masculine, Feminine and Neuter genders. Introduction to case affixes and their meanings. 24 forms of a noun in all genders and its declensions; Usage of the 24 forms of nouns ending with ‘a’, ‘e’, ‘u’ letters in all case affixes in all three genders.

Verb roots, pronouns

6 hours

- vi. Verb roots with meaning. Present tense (*Lat*), Past tense (*Lang*), Future tense (*Lrit*), perfect past (*lit*), verb of order/request (*Loat*) forms in three persons and three numbers in both active (*kartari*) and passive (*karmani*) forms. Practice of all the above five verbal forms for correct sentence formations in tenses and moods. Usage of prefixes and how they change the meaning of the verb root and how to find them in the dictionary.
- vii. Introduction to pronouns; Pronouns in all three genders: declensions of pronouns (me/we, you/you all, He/She/It). corresponding translations of pronouns into English; forming sentences with nouns and pronouns; interrogative pronouns.

S-VYASA- ODL/DDE

iii. Introduction to write simple sentences using Noun/ Pronoun (subject), Object and Verb in singular, dual and plural.

Prepositions, Numbers, Time, Day, Comprehension and Paragraph writing 4 hours

- viii. Prepositions and its meaning with usage in sentence, asking question and answers.
- ix. Introduction of numbers, time and days.
- x. Paragraph writing on specific topics / Story writing

Unit – 2 Patanjali Yoga Sutras 15 hours

Yoga, its' meaning & purpose & a brief introduction to Patanjalis' Yoga Sutras and its' author.

- I. Concept of Citta, Citta-bhoomis, Citta-vrttis, Citta-vrtti nirodhopaya (Abhyasa and Vairagya) Citta-Vikshepas (Antarayasa), Citta-prasadanam and its' associates.
- II. Ashtanga Yoga: Yama, Niyama, Asana, Pranayama, Pratyahara, Dharana, Dhyana, and Samadhi; Samyama & three Parinama of Samyama.
- III. Types and nature of Samadhi in Yoga Sutra, Rtambharaprajna and Adhyatmaprasada; Samprajnata, Asamprajnata, Sabija & Nirbija Samadhi,
- IV. Concept of IShwara and his qualities
- V. . Kriya-yoga, Theory of Kleshas, means of elimination of Kleshas/ Vivekakhyati;
- VI. The concept and description of Ashta Siddhis;
- VII. Nature of Kaivalya,

Unit 3: Yoga in Bhagavad Gita 8 hours

- I. General Introduction to Bhagavad Gita (B.G.). Definitions of Yoga in Bhagavad-Gita and their relevance & Scope.
- II. Jnana, Bhakti and Raja Yoga in the context of Bhagavad Gita.
- III. Karma yoga in Bhagavad Gitä.
- IV. Sänikhya yoga in Bhagavad Gitä.
- V. Bhagavad Gitä and Psychoanalysis.
- VI. Trigunas in the context of Bhagavad Gitä.
- VII. Diet and lifestyle for a Yogi in Bhagavad Gitä.

S-VYASA- ODL/DDE

Unit – 4 Hatha Yoga

7 hours

- I. Hatha Yoga, its meaning, definition, aims and objectives, in Hatha Yoga. The origin of Hatha Yoga, Important Hatha Yogic Texts.
- II. Dos and Don'ts to be followed by the Hatha Yoga Practitioner, concept of Mata, concept of Mitahara, Pathya (conducive) and Apathya (non-conducive). Causes of Success (*Sadhaka Tatva*) and Causes of Failure (*Badhaka Tatva*) in *Hatha Yoga Sādhanā*
